

Technical information

Testing and Operating Pressures

Henrad Column Concept has been independently tested to ensure these radiators perform to a maximum working pressure of 8 bar.

Connections

Each radiator comes with 1/2" inlet connections as standard.

Paint Process

Two coat paint process, each Henrad radiator is subjected to a multi-stage cleaning and paint process.

The final powder coat is Slate grey (RAL A7015) which is stoved and cooled to give a perfect finish.

Water Treatment

Installation of the system should be properly flushed and fitted in accordance with the British Code of Practice for the Treatment of Water in Domestic Hot Water Central Heating Systems.

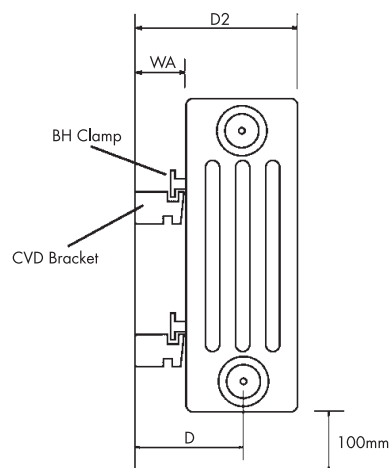

Warranty

Henrad Column Concept comes with a 5 year manufacturer's warranty.
