## Technical information

### Testing and Operating Pressures

Henrad Verona Slimline has been independently tested to ensure radiators perform to a maximum working pressure of 4.0 bar.

### Connections

Henrad Verona Slimline has 2 x 1/2" BSP connections (BOE) as standard.

### Paint Process

Two coat paint process, each Henrad radiator is subjected to a multi-stage cleaning and paint process.

The final powder coat is Traffic white (RAL 9016) which is stoved and cooled to give a perfect finish.  
All radiators are illustrated in Traffic white unless stated.

### Water Treatment

Installation of the system should be properly flushed and fitted in accordance with the British Code of Practice for the Treatment of Water in Domestic Hot Water Central Heating Systems.

### Warranty

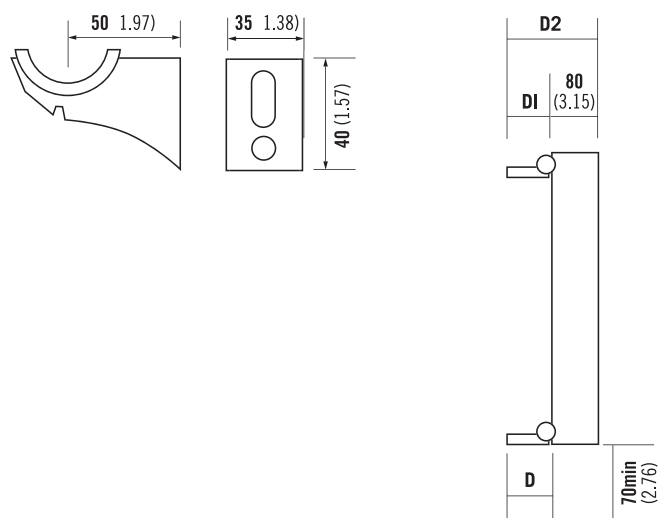

Henrad Verona Slimline comes with a 5 year manufacturer's warranty.

## Henrad Verona Slimline
